Ms. Janie O'Keefe  
Executive Director  
O'Keefe Educational Media Group  
P.O. Box 4002  
Biloxi, MS 39535

Dear Janie:

I would like to share my support of the O'Keefe Educational Media Group's efforts to reach out to individuals with disabilities living in our coastal counties and enhancing their quality of life.

As you know, non-profits that serve people with disabilities were virtually wiped out after Hurricane Katrina. Your initiative – the Internet Resource Center and Resource Directory – provides a modern method of training, information gathering and networking among those with disabilities and the families that care for them.

Your organization is an essential component in rebuilding the Gulf Coast, and I sincerely thank you. The renewal of South Mississippi is a team effort and I am grateful for people like you who are playing an integral part of that success.

Sincerely,
