RE: Disability Connection Project

Dear Janie;

I wish to express my enthusiastic support of the Disability Connection Project. The O'Keefe Educational Media Group is an established pacesetter in providing support to people of diverse backgrounds in this community.

As an advocate and service provider of the senior and handicapped population of Harrison County, our agency will continue supportive services for the segment of population that we share.

I would like to encourage and support this work.

Sincerely,

Janice M. Green, Executive Director  
Harrison County Human Resources Agency
