

Moving the Mississippi Gulf Coast Forward

January 16, 2007

Ms. Janie O'Keefe
Executive Director
O'Keefe Educational Media Group
P.O. Box 4002
Biloxi, MS 39535

Dear Ms. O'Keefe:

I support the O'Keefe Educational Media Group's (OEMG) efforts to enhance education, independence and quality of life for persons with disabilities.

The proposed Disabilities Internet Resource Center and the accompanying directory is a viable concept that seeks to build an interconnected community using technology and providing services to disadvantaged segments of the community. This is a worth while initiative that will provide opportunities for economic and community development across the entire Mississippi Gulf Coast.

Sincerely,
